

## Remarks

Claims 15 through 25 stand rejected under 35 USC 112 second paragraph as being indefinite with reference to lines 9 and 10 of claim 15 as well as lack of antecedent basis in portions of claims 19 and 23. In response thereto, appropriate correction has been taken. Review and acceptance is requested.

The Examiner has, however, indicated that claims 15 through 25 would be allowable if rewritten or amended to overcome the rejections under 35 USC 112 second paragraph. Accordingly, this application is in a position for allowance and the Applicant respectfully requests passage to issuance.

No new matter has been added in this amendment.

Respectfully submitted,

Paul Vincent
